**“For all your Local  
Professional Security  
Services”**

At Lakeside Security, we partner with you to provide the security services you need to keep your business running smoothly. We are not your typical provider of security services in Australia.

We strive to deliver security solutions carefully designed to suit your security needs. We aim to provide you with affordable and reliable security services to match your risk profile and security requirements.

Lakeside Security has accredited and fully trained security officers. Our officers work under the supervision of a dedicated security management consultant, which will be our clients' point of contact. Our security management consultant will be reporting all information about the security issues and occurrences on your site or property.

Contact us for your **FREE** Consultation to start our partnership with you to provide you with secure peace of mind you need to keep your business running smoothly.
